THE INSTITUTE.

Mason County Teachers Meeting at the Court House.

All Interested in Cause of Education Invited to Attend—Subjects Discussed at Tuesday's Session.

The Mason County Institute was opened Tuesday morning with Bible reading and prayer by Supt. Blatterman. The present session promises to be as entertaining to visitors and the older teachers as it will be instructive to the younger "wielders of the birch." The meetings are held in the court house instead of at the High School Building as on former occasions. It's a matter of regret that the city teachers cannot be in attendance. All visitors are assured a comfortable seat, and Prof. Shipp will do the rest for you. You will be entertained, and all interested in the cause of education are urged to attend.

Prof. Shipp, the instructor, is too well known to the people of Mason County as an educator of the highest rank to need any introduction or recommendation. It has been four years since he conducted an institute here and those who heard him then have expressed their intention of hearing him again. He is a bright thinker, logical in the presentation of his theories and sprinkles in enough humor to make everything cheerful and entertaining.

Prof. Shipp's address Tuesday morning was along the general line of mind and its development. He said so much that was good that we could not give you the best without giving his entire address.

During the afternoon the subjects of writing and reading were discussed by different teachers and the instructor.

In organizing the following officers were chosen:

Secretary—Clarence Martin.
Reporter—R. F. Galtier.
Committee on Resolutions—L. C. Grimes, Miss Goddard, Jacova Bacon, Phoebe M. Waller.

A Fiendish Attack.

An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health. Only 50c. at J. Jas. Wood & Son's drug store.

Start Girls Right!

Many beautiful girls become invalids for life, because at the crucial period of puberty they pay no attention to the laws of health. Mothers should protect their daughters' health by giving them necessary information and proper treatment. When the menses come on a girl unawares in her inexperience she is either frightened into convulsions, or scared into trying to check the flow. Many girls have checked the flow and it has never started again. And as a result they have grown pale-faced, with "crow-tracks" on their cheeks, and dark half-moons under their eyes. A dose of

WINE OF CARDUI

taken every morning after a girl is twelve years old will bring the menses on properly and keep them regular. It will help her to develop into attractive womanhood and equip her for the duties of wife and motherhood. All druggists sell \$1.00 bottles of Wine of Cardui.

American, and it so favorably impressed me that on my visit to Baltimore during the holidays I purchased a bottle of it for my adopted daughter, who was suffering with female troubles. She had been under the doctor's care for some time, and when her periods would come on her suffering was something terrible. I induced her to try it and the first dose brought on her menses. She took it regularly according to the directions, and was greatly relieved. To use her own words, "it saved my life." J. WESLEY CROSS.

THE REUNION FRIDAY.

Some Prominent Veterans of the Civil War to Speak at the Maysville Fair Grounds—A Pleasant Time Anticipated.

Editor Evening Bulletin: The citizens of Maysville and vicinity are reminded that a gathering of some magnitude will convene at the fair grounds on Friday next. These regimental reunions will continue, no doubt, for many years, and will always bring together a goodly number of ex-soldiers and their friends, whose presence in any city or town should be deemed an honor.

I therefore suggest that everyone of our citizens give this meeting particular attention and encouragement, with the view of permanently locating the annual meeting in our city. Several persons of more than local celebrity will be here from abroad Thursday night or Friday morning, viz: Gen. Joseph J. McCarty, of St. Paul, Minn., President of the Tenth Cavalry Association, who has already engaged rooms at the Central; Maj. James L. Foley, of St. Louis, and Maj. L. M. Hoesa, of Cincinnati, Commander of the Loyal Legion of Ohio, and there will be others.

Would it not be a neat thing for the citizens to organize and supplement the efforts of the various G. A. R. committees and Joseph Heiser Post to receive and entertain these specially mentioned comrades?

What is the matter with the Maysville Cornet Band? Won't their patriotism and pride of city prompt them to give us a mite of their time and talent gratis—just once?

C. C. DEGMAN,
Secretary Tenth Cavalry Association.

Harris' Nickel Plate is a Good Show.

The World Famous Nickel Plate shows gave a splendid street parade, which was seen by large crowds. Despite being here after a holiday, the afternoon performance was well attended, and not one dissenting voice could be heard from among the large number who attended. The educated ponies, horses, camels and elephants gave a remarkable performance. The show is given in one ring, where one can see all that takes place, and is much more appreciated than one of the three ring kind. The acrobats, gymnasts, aerialists and riders were good. Those wanting to see a first-class show should not miss this one.—The New Era, Lancaster, Pa., May 31st.

Come in next Monday and see the Harris shows. You get your money's worth when you patronize Harris.

KENTUCKY CROPS.

Most of the Tobacco Has Been Housed—Corn Cutting and Seeding of Wheat and Rye in Progress.

[Weekly Bulletin of the Weather Bureau, Oct. 1st.] Clear, warm weather prevailed until Saturday, when moderate rains occurred over the greater portion of the State.

With the exception of Saturday, the weather was ideal for tobacco cutting and housing, and at the end of the week about four-fifths of the crop was in the house. There are no complaints of house burning, and it is generally curing nicely and in excellent condition.

Corn is maturing rapidly and cutting has begun.

Wheat and rye sowing is in progress, and some rye is up. A fair crop of stock peas is being cut for hay.

Pastures have improved and are in excellent condition, except in the extreme north central portion. Sweet potatoes are quite good, but Irish potatoes are very poor.

Sorghum is a fairly good crop and molasses making has begun. Apples are scarce, but peaches quite fine.

Farm work is well up.
